Congratulations! The Florida Department of Transportation, District 4, after careful review of the subject application, is pleased to inform you that it has been approved and will be funded for construction.

As requested in the application, the Department has allocated \$1,222,367 in fiscal year 16/17 for the construction and CEI of the subject project. The development of design plans, or any other design effort, remains the responsibility of the local agency.

The project will be implemented via a Local Agency Participation (LAP) agreement. Ms. Ellen Daniel, District LAP Administrator, will be your point of contact to develop the LAP agreement. You may call her at (954)777-4480, or contact her via e-mail (ellen.daniel@dot.state.fl.us).
